

Ex

CUSTOM-MADE

## EXPLOSION PROOF ELECTRONIC SCALES

- Suitable for chemical, pharmaceutical, gunpowder, food processing and explosive hazardous occasions
- Counting, holding, accumulation
- Zero-setting, subtracting tare value
- LCD display, with backlight
- Unit: kg

explosion proof battery  
(included)

## SPECIFICATION

| Code                      | 8104-30KG  | 8104-60KG   | 8104-150KG  |
|---------------------------|--|---|---|
| Maximum weighing          | 30kg   | 60kg  | 150kg   |
| Minimum weighing          | 200g   | 400g  | 1kg   |
| Resolution (d)            | 10g  | 20g   | 50g   |
| Verification interval (e) | 10g  | 20g   | 50g   |
| Accuracy (m is load)      | m≤5kg: ±5g;<br>5kg<m≤20kg: ±10g;<br>m>20kg: ±15g | m≤10kg: ±10g;<br>10kg<m≤40kg: ±20g;<br>m>40kg: ±30g | m≤25kg: ±25g;<br>25kg<m≤100kg: ±50g;<br>m>100kg: ±75g |
| Operation temperature     | -10~40°C   |   |   |
| Operation humidity        | ≤85% RH  |   |   |
| Stable reading time       | ≤8s  |   |   |
| Power supply              | explosion-proof battery, DC7.4V/4.0Ah            |   |   |

8104-30KG

## STANDARD DELIVERY

|                         |      |
|-------------------------|------|
| Main unit               | 1 pc |
| Explosion proof battery | 1 pc |
